MEMORANDUM FOR THE RECORD

SUBJECT: Relief from Employment Prohibitions in Pending
Immigration Legislation

1. On 17 September 1985, I met with Paul Schmidt, Deputy General Counsel, INS, to follow-up on our earlier discussion on the possibility of obtaining administrative relief from the prohibitions upon employment of aliens which are contained in the immigration legislation which is now pending (S.1200/H.R. 3080).

2. I showed Paul the language we are proposing for the Commissioner's signature, assuming the legislation is passed in its present form (copy attached). Paul indicated he thought the language was appropriate and reasonable and he anticipated that the Commissioner would view it the same way. I told Paul I was well acquainted with the Commissioner, and quite prepared to meet with him to discuss the matter, if that is desirable. Paul indicated he would meet with the Commissioner soon and be in touch with me.

3. All portions of this memorandum are classified
